

## Luethy Links

November 21, 2021

Dear Praying Friends,

Even if the holiday officially dedicated to that purpose wasn't just around the corner, the theme of this week's edition of the Links would still be that of giving thanks. We begin by letting you know how thankful we are for your love & concern so evident in the volume of emails we received leading up to Dorothy's surgery. We are also deeply grateful for the many prayers that blanketed that event. God was pleased to grant those requests. For example, the surgery went smoothly, Dorothy was released from the hospital within the 3 day window stipulated by the insurance company, and ever since going off all pain medication the day after her procedure, she has been pain free.

With the passing of each day Dorothy is regaining her strength which is another cause for thanksgiving, for there is much to be done in preparation for the upcoming Christmas outreaches. With that in mind, thank you for joining us in prayer this week as the homes of attendees from previous years are visited to hand deliver a gospel tract along with a flyer advertising this year's events.

With Much Love,

Jonathan & Dorothy
