News from Paul and Martha Daku  
Missionaries to Fiji and the South Pacific

April 2025

*"Happiness is to know the Saviour,  
Living a life within His favor . . ."*

**HAPPINESS IS** . . . eleven people baptized on 16 February. They have all become faithful church members, for which we are so thankful. Among the group were a family of four, four teenagers, a doctor and a teacher. We wish there was space to write all of their salvation testimonies. The Lord is still drawing men to Himself here in Fiji!

**HAPPINESS IS** . . . having the building plans nearly approved for our Sunday School building. (The architect says the approval should come in May.) Thank you for praying and giving to this project. We hope to give the good news next time we write that full approval has been granted by City Council, allowing us to proceed with the building.

**HAPPINESS IS** . . . another Junior Camp from 5-9 May. Please pray for the campers and staff as we seek to reach the hearts of children in Class 5-8. Fiji has been hit hard these last few years with drugs and other temptations for our youth. We desire for them to know Christ.

**HAPPINESS IS** . . . a missions trip to Philippines and Singapore in March. Paul was invited to speak in two missions conferences in Philippines and visited several other churches there pastored by Filipinos. He then preached a missions conference in Singapore. He was so encouraged by the dedication of the Filipinos and their sacrificial love for the Lord and His work. Philippines is actually sending out many missionaries all over the world. We have several in Fiji already. Another couple is considering coming to Fiji. The Lord is answering our prayers for more laborers!

**HAPPINESS IS** . . . a great Missions Conference in April. Our theme was, "Give Me a Vision." Our people were challenged to have a vision for the lost around them and around the world.

**PLEASE PRAY** for our son, Scot Daku, who continues to suffer from severe back pain and headaches. He is not in a good place physically right now. Please pray for healing, the right doctors, and that Scot and his family can return to Fiji.
